Summary: This takes place while My HTTYD mercenary and his dragon are camping, his dragon dares him to sing his answer to the question "If you could be someone else who would you be." This is that song

Ironclad's song

I'd be a hero, with sword and armor clashing
>Looking semi dashing, a shield within my grip
Or else I'd be a Viking, live a life of daring
>while smelling like a herring, upon a Viking ship.
I'd sail away, I'd see the world, I'd reach the farthest reaches
>I'd feel the wind, I'd taste the salt and sea.
And maybe storm some beaches.
>That's who I'd be. That's who I'd be.<p>

I dreamed I'd be a poet, Write a different story,
>One that told of glory, and wiped away the lies
And to the skies I'd throw it, the stars would do the telling
>The moon would help with spelling, and night would dot the 'I's
I'd write my verse, Recite my joke, it'd fit in perfect timing.
>I'd share my heart, confess the things I learn, and do it all while rhyming.
But then we learn. But then we learn.

A Monster always hides, a monster's fate is known
>and a Monster always stays in the dark and all alone<p>

so yes I'd be a hero and if my wish was granted
>my life would be enchanted, or so the stories say.
Of course I'd be a hero, and I would scale a tower
>And save a hot-house flower, and carry her away
But standing guard there'd be a beast, I'd somehow over whelm it,
>I'd get the girl, I'd take my breath, and I'd remove my mask.<p>

We'd stand and stare, we'd speak of love, we'd feel the stars
ascending
>We'd share a kiss, I'd find my destiny
I'd have a hero's ending,
a perfect happy ending.
>That's how it would be
A big bright beautiful world

But not for me.

[Calypso's voice]
>A Monster always hides. A Monsters fate is known. A Monsters always
stays<p>

[Black Ice]
>In the dark and all alone<p>

[Calypso]
>All Alone<p>

(All at the same time)

[Ironclad]
>So yes I'd be a hero, and if my wish was granted my life would be
enchanted or so the stories say.
Of course I'd be a hero and I
would scale a tower to save a
>hot-house flower and carry her away!
[Calypso]
>There are rules and there are strictures. I believe the story books
I read by candle light
[Black Ice]
>Don't let me go, Don't let me go, Don't let me go
[All]
>A perfect happy ending, that's how... it.. Should be!<p>

End
